

Attention Samsung Dealers/Resellers
King Introduces Both Sides of the House!

King Technologies is an authorized Samsung Distributor. King is also your Samsung Authorized Service Center for both In-Warranty and Out-of-Warranty Repairs. We are offering savings of 10% to 30% on your out-of-warranty repairs for the remainder of 2009!

Effective September 1, 2009 through December 31, 2009, receive 10% to 30% off your out-of-warranty repairs for the rest of the year. The great thing about this offer is that the potential saving is not limited to only Samsung out-of-warranty repairs. Before King Technologies was a Distributor of new equipment we were a repair, service and re-manufacturing center for many different products. Enclosed is a list of products that we currently repair.

How do you qualify for this fantastic opportunity? Simply fill out the enclosed form and be sure to include it with **each** of your out-of-warranty repair orders for the balance of 2009. You can make extra copies of the Repair Savings Form or you can download it from our website by using the following address:

At the end of December 2009, we will total both your new Samsung equipment purchases and your out-of-warranty repair orders between 9/1/2009 and 12/31/2009. If your new Samsung equipment purchases exceed the targets below we will credit your account for the corresponding amount of your out-of warranty repair invoices for the same time period:

New Samsung Equipment Purchases 9/1/2009 through 12/31/2009	Credit for Invoiced Amount on Out-of-Warranty Repairs 9/1/2009 through 12/31/2009
